SOLANA

AQUARIUM SYSTEM

Choose from several popular Current-USA lighting fixtures. The Solana is sold in component form, so choose the lighting that's right for you.

Start with our simple 2 lamp T5HO and upgrade to the power of metal halide at your own pace. Shown with model # 1136-18" Nova Extreme 2x18watt T5HO 10K/460nm.

Need more power? Step up to the SunPod. Choose from either the 150 or 250 watt versions for maximum intensity and juice for your SPS coral.

A lush, planted freshwater aquarium creates a stunning conversation piece for any home. Shown with Espresso Stand and 55 watt 2C Compact Fluorescent Pendant.

Create the perfect saltwater aquarium and bring the Caribbean into your home. Shown with 55 watt 2C Compact Fluorescent Pendant and Black Modern Stand.

Give yourself bragging rights with the ultimate reef tank. Shown with Brushed Aluminum HQI Pendant and Light Modern Stand.

SOLANA SYSTEM SPECIFICATIONS

1. **Top-Off Bottles** - Replenishes evaporated water on an as-needed basis.
2. **Powerful UL Listed Return Pump** - Cycles water over 11 times per hour.
3. **Mechanical Filter Pad** - Removes floating debris, keeping water polished.
4. **Activated Carbon** - Removes odor and harmful dissolved organics.
5. **Nano-Ball Biological Media** - Provides millions of places for beneficial bacteria to flourish.
6. **Surface Skimming Filter Pad** - Prefilters water before entering main filter section.
7. **No Hassle High-Capacity Protein Skimmer** - For removing harmful organics.
8. **Micro-Bubble Eliminator** - Eliminates annoying tiny bubbles from returning to the tank.
9. **Intake Venturi Pump** - Injects a dense stream of water and bubbles for efficient protein extraction.
10. **Angled Black Background** - Allows viewing from three sides without seeing unsightly filter components.
11. **Surface Skimming Overflow Section** - Removes particulates.
12. **Adjustable, Dual-Outlet Return Nozzle** - Creates varying water flow, preventing dead spots.
13. **Beveled Glass Panels** - Displays your favorite aquatic creatures in a museum style setting.

Performance has never been so easy. You won't be overwhelmed by the Solana's filtration which comes complete with surface-skimming overflow, protein skimmer and automatic water top-off. Even the beginners in the family will look like pros.

Enjoy the view. The Solana's frameless cube design creates elegant style and easy viewing.

Bring stylish design and elegance into your home with furniture quality stands. Each stand features a pull-out drawer and front cabinet door with satin nickel hardware, recessed glass and adjustable middle shelf. Available in three professional finishes that protect the stand from aquatic elements.
